**DETAILED ACTION**  
**REJECTIONS WITHDRAWN**

Any and all rejections set forth in the non-final rejection of 7/27/07 have been withdrawn.

**REJECTIONS REPEATED**

There are no rejections repeated.

**NEW REJECTIONS**

***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 37-43 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Independent claim 37 recites a major and minor dimension without defining the dimension in the claim. Because the dimensions are not defined the metes and bounds of the claim are not clearly set forth. What dimension is applicant referring too? Length, width, diameter?

**ANSWERS TO APPLICANT'S ARGUMENTS**

Applicant's arguments have been carefully considered but are moot in view of the new grounds for rejection set forth above.

***Conclusion***

3. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
